

## **General**

September 12th 2009, NXP Cycletime organizes the Campus to Campus Ride 2009. This 75 or 150 km long cycling tour for racing bikes is part of the Healthy NXP campaign and connects the campus of Nijmegen with the campus of Eindhoven.

## **Safety**

To secure the safety of all participants, we will be cycling in small groups (maximally 20 persons). The groups are formed based on speed (25, 28 and 30+ km/h) and will be guided. The guides determine the speed and the direction.

All participants are insured via NTFU.

Wearing a safety helmet is mandatory!

## **Refreshments**

There will be refreshments for all participants at the start and finish locations and the way.

## **Start location and time**

The length of the C2C Ride and start location can be chosen freely. You can choose 75 km (single trip) or 150 km (return trip) from either Nijmegen or Eindhoven. In case of a single trip, transportation back to the starting location is being arranged for. Due to limitations in transportation, the number of participants to the 75 km C2C Ride is limited. Start in Nijmegen is at 8.00 AM in front of building FT. Arrival in Eindhoven is planned for about 11.00 AM.

Start in Eindhoven is at 11.30 AM at the sporting facilities. This is valid for all groups from Eindhoven and the return groups from Nijmegen. Arrival in Nijmegen is around 2.30 PM.

The return groups from Eindhoven will depart from Nijmegen at 3.00 PM and will arrive in Eindhoven before 6 PM.
